P.S. Resolution No. 521

RECEIVED BY: 

INTRODUCED BY SEN. JINGGOY EJERCITO ESTRADA

RESOLUTION
CONGRATULATING SARAH CUA FOR WINNING THE SUDOKU OPEN IN
THE ASIA PACIFIC HELD IN SINGAPORE

WHEREAS, Sudoku is a logic-based number placement puzzle which challenges the player to fill a partially completed 9x9 grid with each column, row, and region containing the digits 1 to 9 only once;

WHEREAS, Sudoku Open in the Asia Pacific was held in Singapore in July and was participated by approximately fifty (50) contestants from China, Malaysia, Thailand, India, Singapore, and Philippines;

WHEREAS, the contestants are composed of Asian students and professionals from all ages;

WHEREAS, Sarah Cua, a 14-year old 2nd year high school student at Pangasinan Universal Institute is one of the representatives of the Philippines in the said tournament;

WHEREAS, Sarah was the first contestant to correctly finish the final 81-block puzzle and was thus declared as the champion;

WHEREAS, Sarah is a consistent academic topnotcher and a math wizard trained at the Mathematics Trainers' Guild (MTG) which is an organization of Filipino math teachers;

WHEREAS, her triumph has proven the Filipino youth's competence and determination to stand out among their counterparts from other countries;

WHEREAS, her continuing quest for excellence will undoubtedly bring her to greater heights and remarkable success in the future;

WHEREAS, Sarah serves as an embodiment of the Filipino youth's notable potentials and as a challenge to the government to intensify its support for their academic and non-academic endeavors;

RESOLVED BY THE SENATE, AS IT IS HEREBY RESOLVED, to congratulate Sarah Cua for winning the Sudoku Open in the Asia Pacific held in Singapore.

Adopted,

JINGGOY EJERCITO ESTRADA
Senator
