7 of the grantee shall be constructed and operated in a manner as will, at most, result only
8 in the minimum interference on the wavelengths or frequencies of existing stations or
9 other stations which may be established by law, without in any way diminishing its own
10 right to use its assigned wavelengths or frequencies and the quality of transmission or
11 reception thereon as should maximize rendition of the grantee's services or the availability
12 thereof.
13

14 **SEC. 3. Authority of the National Telecommunications Commission.** – The
15 grantee shall secure from the National Telecommunications Commission (NTC) a
16 Certificate of Public Convenience and Necessity or the appropriate permits and licenses

22 any frequency in the radio spectrum without authorization from the NTC. The NTC,
23 however, shall not unreasonably withhold or delay the grant of such authority, permit or
24 license.
25

26 In case of any violation of the provisions of this franchise, the NTC shall have the
27 authority to revoke or suspend, after due process, the permits or licenses it issued

37 highways, streets, lanes, alleys, avenues, sidewalks, or bridges of the province, cities, or
38 municipalities: *Provided, however,* That a public place, road, highway, street, lane, alley,
39 avenue, sidewalk, or bridge disturbed, altered, or changed by reason of erection of poles
40 or other supports or the underground laying of wires, other conductors or conduits, shall

1 be repaired and replaced in workmanlike manner by the grantee, its successors or
2 assignees, in accordance with the standards set by the DPWH or the LGU concerned.

33 variations thereof, shall be subject to the approval of the NTC or its legal successor. The
34 rates to be charged by the grantee shall be unbundled, separable, and distinct among the
35 services offered and shall be determined in such a manner that regulated services do not
36 subsidize the unregulated ones.

37
38 **SEC. 7. Right of Government.** - The radio spectrum is a finite resource that is
39 part of the national patrimony and the use thereof is a privilege conferred upon the grantee
40 by the State and may be withdrawn any time after due process.

5 corporation or entity, nor shall the controlling interest of the grantee be transferred,
6 simultaneously or contemporaneously, to any person, firm, company, corporation, or
7 entity without the prior approval of Congress. The grantee shall inform Congress, through
8 the Office of the Speaker of the House of Representatives and the Office of the Senate
