**AN ACT**  
**PENALIZING PRANK CALLS IN EMERGENCY HOTLINES**

**EXPLANATORY NOTE**

In 2005, the Secretary of the Department of the Interior and Local Government (DILG) issued an appeal to the public to refrain from making prank calls to Patrol 117, which was then the Nationwide Emergency Hotline Number. According to a report, "99 percent of total calls received by the 117 Call Center in Metro Manila . . . are illegitimate calls, which include pranks calls and those seeking directory assistance."<sup>1</sup>

In 2011, the DILG reported that the 117 Hotline had been receiving 13,000 calls a day. Unfortunately, "only 2% of the calls are made by those in need," and "a lot of these [calls received] are prank calls."<sup>2</sup>

In March 2020, the DILG reported that the Emergency 911 Hotline (which replaced Patrol 117 by virtue of Executive Order 56, s. 2018), received 2.54 million prank calls, 37,440 legitimate calls, 16,763 non-emergency [calls] and 9.7 million incomplete [calls].<sup>3</sup>

For years, prank calls have infested our government emergency hotlines, disrupted the speedy service of our responders to actual emergencies, and possibly prevented victims from being properly attended to and from reaching the proper authorities since the lines were unnecessarily busy.

This bill seeks to define and penalize prank calls plaguing our national emergency hotlines, consistent with our State policy of protecting the people and promoting their general welfare, safety and security. Hefty fines and imprisonment are put in place to serve as deterrent to "pranksters" who irresponsibly clog and choke the network of our emergency response mechanisms.

The passage of this measure is earnestly sought.
