**AN ACT
REDEFINING THE CRIME OF GAME-FIXING AND PRESCRIBING STIFFER
PENALTIES THEREFOR**

EXPLANATORY NOTE

Section 19 of Article XIV of the Philippine Constitution provides that the State shall promote physical education and encourage sports programs and competitions to foster self-discipline, teamwork and excellence for the development of healthy and alert citizenry.

Sporting events inculcate values of perseverance, respect, commitment, hard work, humility, among many other moral virtues, especially to the youth. However, reported incidents of dishonest practices, unscrupulous schemes, and nefarious tactics defeat the purpose of fair competition. Game-fixing, point-shaving and game machinations undermine the goals of genuine sportsmanship.

This bill aims to redefine the crime of game-fixing and impose heavier penalties therefore. It proposes longer jail time and heftier fines for those who will be found guilty of game-fixing. Moreover, it perpetually disqualifies the offender from participating in any sports in any capacity. Perhaps, the biggest deterrent could be the revocation of their license, removal from the sports teams and roster of sports associations, and ban from participating in any local or foreign competition.

In this light, the immediate passage of this bill is recommended.
